

GLOBAL MARINE
ENGINEERING SERVICES

MANUFACTURING

Atlantic Pacific Marine operates globally 24/7, undertaking an extensive range of dry-dock, alongside and en-voyage repairs, maintenance and refurbishments. Since our 2010 set-up, we have steadily built and maintained an enviable reputation for high calibre turnkey marine engineering services.

Our customers value our reliability and the quality of our work, and include the likes of Carnival Australia, Carnival UK, Princess Cruises, P&O, Wärtsilä and Crystal Cruises.

UNLIKE MANY OF OUR COMPETITORS WHO TARGET MARINE AND ON-SHORE INDUSTRIAL SECTORS AT THE SAME TIME, WE ARE DEDICATED TO MARINE AND OFFSHORE MARKETS, AND ARE THEREFORE ABLE TO CONSTANTLY INNOVATE, STRENGTHEN AND IMPROVE OUR MARINE ENGINEERING AND MANUFACTURING SERVICES.

OUR FACILITIES AND CAPABILITIES

CARDIFF

Atlantic Pacific Marine is headquartered in Cardiff, UK. From here we plan and manage our global operations. The Cardiff site has a 480sqm workshop with an overhead gantry crane and an external laydown area.

BARRY DOCKS

Our site in Barry Docks consists of:

- 1500sqm workshop
- 480sqm blasting pit
- 600sqm painting workshop
- 250sqm stainless steel workshop

- Secure sites
- 5 miles from the M4
- 20 minutes from Cardiff airport
- 2 hours from Heathrow

At our fully equipped, high-capacity workshops, we undertake:

- Process and pipework fabrication
- Sheet metal cladding for thermal insulation
- Stainless steel pickling and pacification
- Process module fabrication
- Skid fabrication

PROCESS AND PIPEWORK FABRICATION

We undertake the fabrication of process pipework in the following materials:

Carbon Steels

ASTM A106
ASTM A333 /4130
X 52
X 65

Stainless Steels

304
316
321
310

Exotics

Duplex
Super Duplex
Inconel
Monel

Aluminium

5083

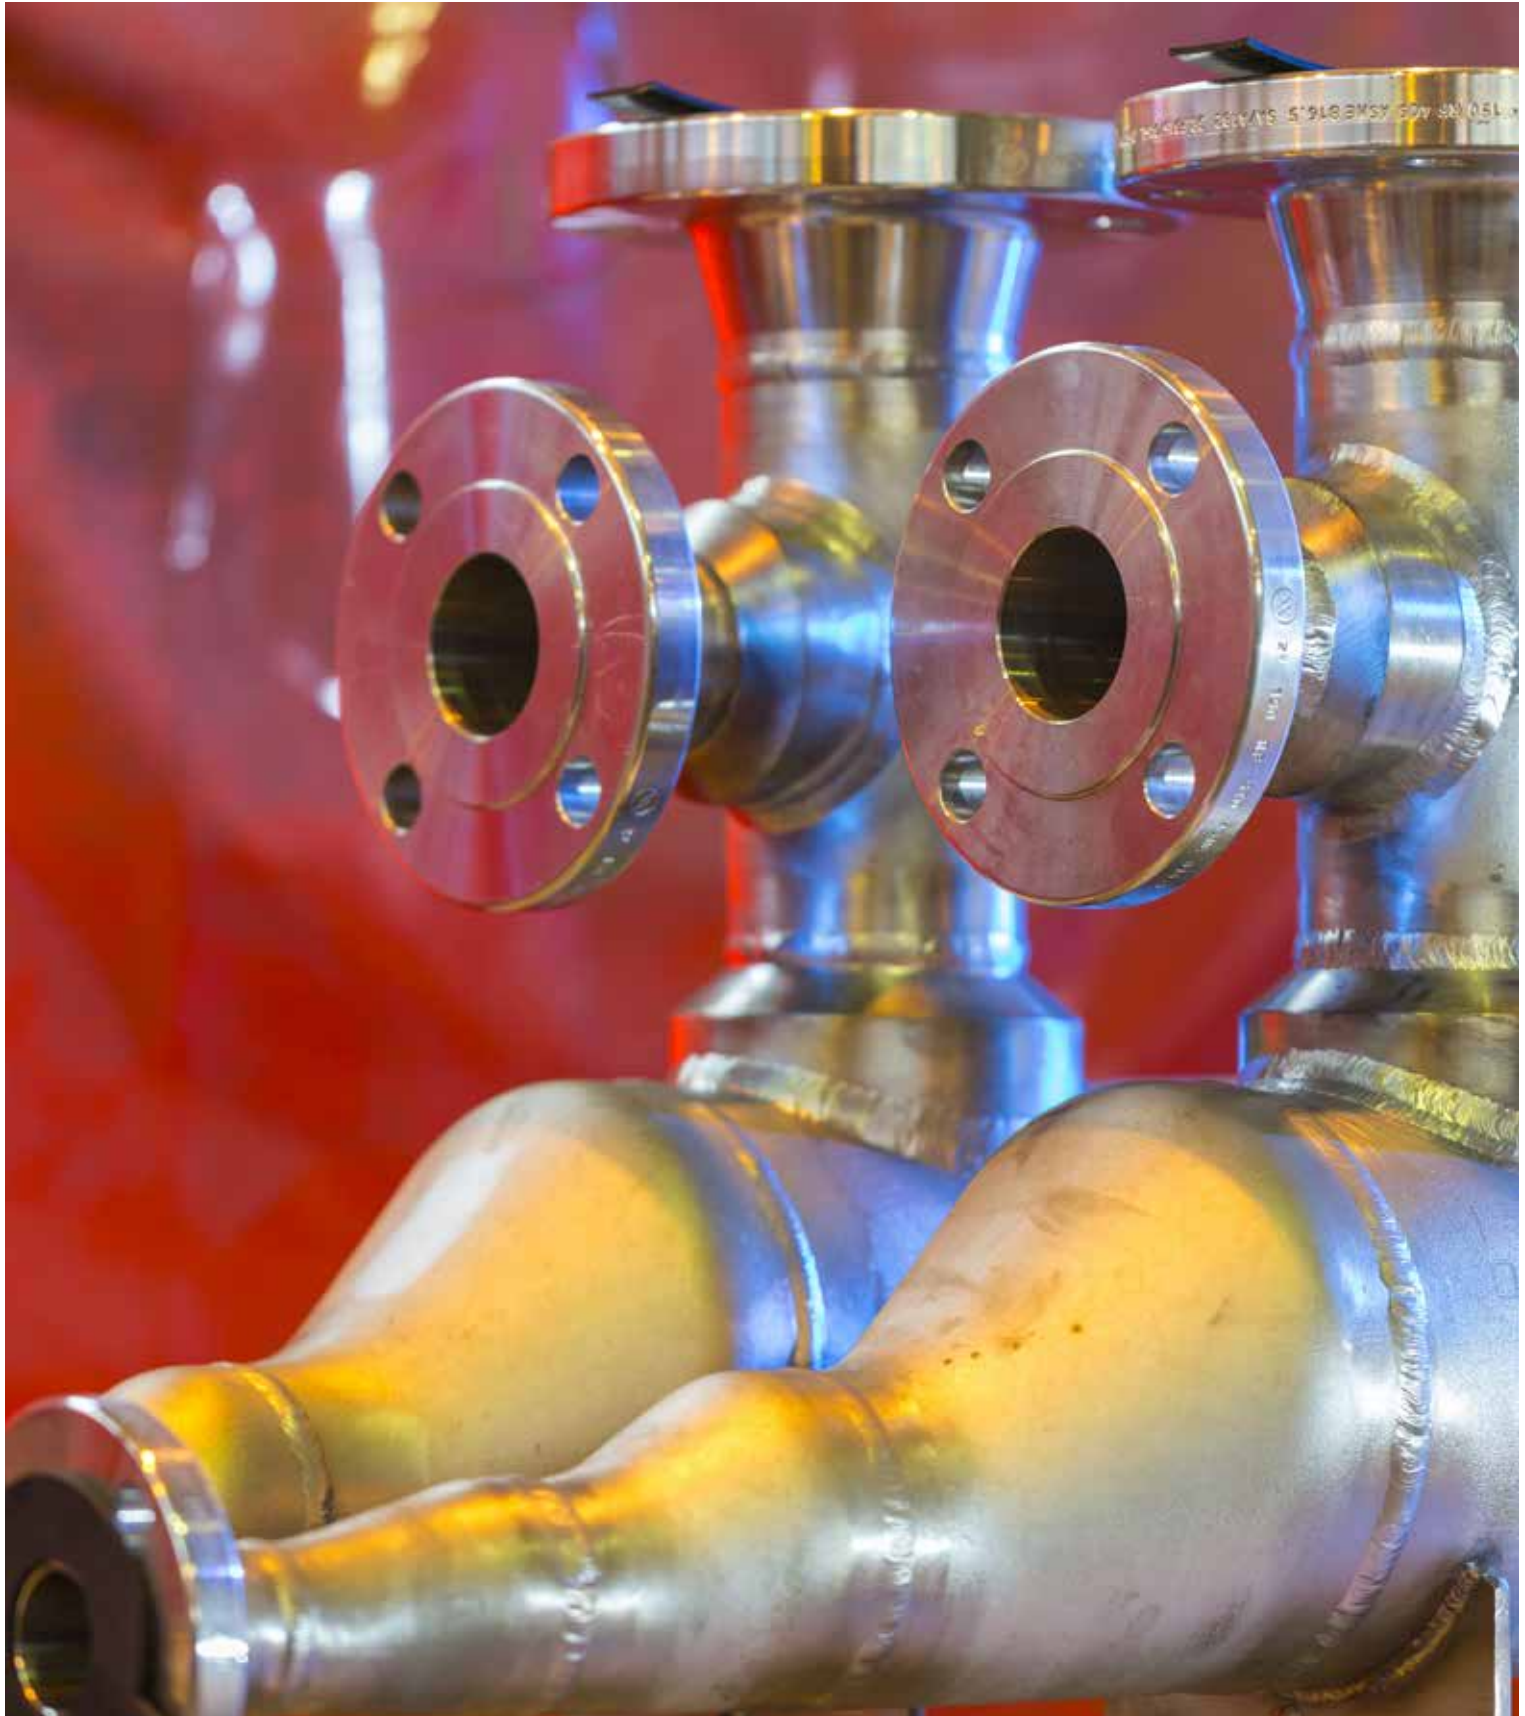

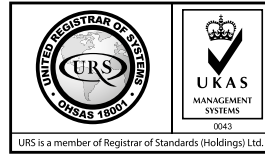

PROCESS MODULES AND SKID FABRICATION

Atlantic Pacific Marine are specialists in the fabrication of skid assemblies and process modules; from materials supply through to surface finishing.

INTEGRATED MANAGEMENT SYSTEM

Compliance to all major classification societies and client requirements:

Atlantic Pacific Marine
Unit 2
Rhymney River Bridge Road
Cardiff, UK
